# Part A: Pupil premium strategy plan

## Statement of intent

In our school, our Christian vision shapes all we do. All members of the school community are committed to upholding the Alder Grove CofE Primary School values:

- Kindness
- Service
- Truthfulness
- Forgiveness
- Courage
- Perseverance

At Alder Grove CofE Primary School, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from disadvantaged backgrounds may require additional and bespoke support; therefore, we will use the all the resources available to provide equity of opportunity and to provide the right conditions to enable the children to grow and flourish.

Our school intends to implement quality first teaching, with a focus on inclusive practices to reduce any attainment gap for our disadvantaged pupils. This is proven to be a highly effective strategy for not only supporting disadvantaged pupils but also benefitting the wider class.

When considering the use of Pupil Premium funding, other vulnerable groups such as children with social workers or looked after children are also considered. We intend to support these groups with the outlined strategies to promote their academic success and emotional wellbeing.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	To ensure targeted high-quality provision so that all pupils meet their end of year progress and attainment targets.
2	To overcome disruptions to learning caused by broken weeks of attendance.

3	To ensure access to enrichment and extracurricular activities.
4	To support the increase of social and emotional needs since the pandemic.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improve attendance levels of Pupil Premium pupils.	<ul style="list-style-type: none"> <li>Persistent absences to be reduced for Pupil Premium pupils to be in line with school averages</li> <li>Pupil Premium pupils will meet or exceed attendance percentages in line with school and national averages</li> </ul>
Maintain reading, writing and maths levels.	<ul style="list-style-type: none"> <li>Pupil Premium pupils to make at least good progress in reading, writing and maths</li> <li>75% of Pupil Premium pupils working at or above ARE for reading, writing and maths</li> </ul>
Pupils eligible for PP gain a wider, more expansive vocabulary to more precisely express themselves verbally and in writing.	<ul style="list-style-type: none"> <li>Improvement in use of tier 2 and tier 3 vocabulary</li> <li>Writing shows improvement in use of, and understanding of, wider vocabulary</li> <li>Precise vocabulary used in verbal contributions</li> <li>Good levels of progress made across half termly Read Write Inc Phonics assessments</li> </ul>
Pre-learning is effective in giving the PP children a 'head-start' in learning, particularly in the teaching of key tier 2 and 3 subject specific vocabulary and exposure to methods and concepts in maths.	<ul style="list-style-type: none"> <li>PP children are able to access learning more quickly, allowing them to make rapid progress in lessons.</li> <li>The pupils will feel more confident to contribute to extension activities.</li> <li>Teachers will be able to more quickly identify gaps in knowledge.</li> </ul>
Pupil Premium pupils have access to extra-curricular activities.	<ul style="list-style-type: none"> <li>Ensure the extra-curricular offer aligns with pupils' interests</li> <li>Attendance of all Pupil Premium pupils at an extra-curricular activity for at least one term</li> </ul>

To achieve and sustain improved social and emotional needs for all pupils in our school, particularly our disadvantaged pupils.	<p>Sustained high levels of wellbeing demonstrated by:</p> <ul style="list-style-type: none"> <li>• Qualitative data from student voice, student and parent surveys and teacher observations</li> <li>• Continued and consistent implementation of Therapeutic Thinking by staff</li> </ul>

Attendance Lead within school.	4.9% overall, with special schools showing a higher rate equal to 10.5% and persistent absence at 13.1% in England (gov.uk 2020). Research has found that poor attendance is linked to poor academic attainment across all stages (Balfanz & Byrnes, 2012; London et al., 2016) as well as anti-social characteristics, delinquent activity and negative behavioural outcomes (Gottfried, 2014; Baker, Sigmon, & Nugent, 2001).	
Develop Parenting Workshops to support PP families where appropriate.	EEF Evidence on Parental Engagement (July 2021) Parental engagement has a positive impact on average of 4 months' additional progress. It is crucial to consider how to engage with all parents to avoid widening attainment gaps.	2 4

## Part B: Review of the previous academic year

### Outcomes for disadvantaged pupils

PP funding received by the school was been spent in a highly targeted way in order to ensure our most disadvantaged pupils flourish. Evaluation of academic outcomes and access to learning experiences have identified the below strengths:

- Pupils have had equality of access to extra-curriculum provision
- Most PP children either met ARE or above in the 2022-23 academic year
- Pupils with limited progress and/or working below their age expected attainment level have been identified through teacher assessments and had interventions identified for them. The school's SIP focused on the development of high-quality teaching.

Our assessments and observations indicated that pupil wellbeing and mental health continues to be a focus for PP children and families. At the end of the year a Pastoral Lead was appointed to support the ongoing nurture needs and develop further family support.
